## listing Description

---

At [CapacityHive](#), we empower audit firms to scale smarter, work faster, and deliver audit excellence without compromise. We are a next-generation audit support partner, built to help firms navigate today's staffing challenges, regulatory demands, and peak-season pressures. From our dedicated global delivery centre and local presence in Europe and North America, we provide high-quality, on-demand audit support that seamlessly integrates with your firm's existing methodology and quality control framework. Our trained professionals offer precision-driven services across:

- Trial balance preparation
- Audit workpapers and documentation
- Substantive testing & evidence gathering
- Financial statements & lead schedules
- Year-end account preparation

Whether you need capacity relief during busy season or are building a leaner, tech-enabled delivery model, CapacityHive is a reliable extension of your team; matching your pace, standards, and commitment to quality. We offer flexible engagement models tailored to your needs- Per audit engagement, Monthly retainers, Full-time secondment, and Bespoke team pods. With an unwavering focus on confidentiality, compliance, and audit rigour, we are trusted by progressive firms looking to optimise their operations while maintaining excellence in client service
