listing Description

Continental Luxury is a full-service general contractor and design company in Las Vegas offering a comprehensive range of services to residential and commercial clients across Las Vegas and Henderson, Nevada. Whether you're looking for kitchen or home remodeling services or looking to build a custom home from scratch, Continental Luxury offers all these services and more. With decades of experience in the general contracting business, we are the Las Vegas restoration, remodeling, and general contracting specialists you can trust. At Continental Luxury, we offer general contractor services to real estate and business owners. Thanks to the extensive experience, expertise, and resources we've accumulated over the years, we can handle jobs of any scope, irrespective of scale or complexity. We don't have a cookie-cutter approach and go the extra mile to offer complete customer satisfaction. At Continental Luxury, we are not looking for a one-off job but believe in winning your trust through the excellent workmanship, craftsmanship, and value we bring. It has what has helped us become one of the leading general contractors in Las Vegas, Nevada, and surrounding areas.
