listing Description

At Divine Cooling Solutions, we provide container storage on rent with precise temperature control according to the need. Our robust and dependable onsite and off-site cooling solutions are industry agnostic and very popular with companies that seek flexibility in their cold storage capacity without needing to invest CAPEX to own such systems. Our state-of-the-art units are designed to meet the unique needs of each and every client, ensuring that your products are stored at the perfect temperature and humidity level. We are known for our Portable Cold Store Services, Refrigerated Container Rental Services, Refrigerated Truck Rental Service, Cold Storage Container Rental Services, Temperature Controlled Storage Service and much more.
