listing Description

Energy Control & Power Lockout, LLC (ECPL) is a nationwide provider of lockout/tagout (LOTO) solutions, OSHA compliance services, and custom industrial safety signage. We offer turnkey LOTO programs, procedures, training, access placards, and safety labels to help facilities stay safe, compliant, and audit-ready. With decades of experience, ECPL supports manufacturers and industrial sites in meeting OSHA standards and improving workplace safety. From custom lockout-tagout procedures, LOTO program development, and on-site safety training to access placards, machine labels, and evacuation maps, our expert team provides end-to-end support. We partner with your team to handle the heavy lifting, so your facility stays safe, compliant, and audit-ready. Address: 7201 W Saginaw Hwy, Lansing, MI 48917 - Phone: (517) 402-5708 [equipment-specific lockout procedures](#)
