listing Description

GC Event Studio is a creative + entertainment agency specializing in brand activations, corporate events, weddings, and private parties across the U.S. We blend innovation with impact to deliver unforgettable experiences through high-end photo activations, 360 video booths, immersive video setups, and custom multimedia installations. From event DJs and lighting to modern dance floor rentals and interactive brand showcases, we offer full-scale event production designed to engage and impress. Whether you're launching a product, hosting a gala, or planning an epic celebration, our team brings your vision to life with seamless execution and creative flair. At the heart of every event, we focus on connection, creativity, and delivering moments people remember.
