listing Description

Since 2022, Learn To Fly Taiwan has been a premier flight school offering tailored flight training programs specifically for students from Taiwan. Our programs have helped countless Taiwanese students achieve their dreams in aviation, with many advancing to airline pilot positions in Taiwan and others becoming flight instructors in Australia. To pursue a career as an airline pilot, one route is obtaining a Commercial Pilot License (CPL) and applying for direct entry positions with Taiwanese airlines. Our goal is to make your pilot journey as seamless as possible, allowing you to focus on the joy of flying.
