listing Description

Nath Trading is one of the most prominent manufacturers and suppliers of high-quality window blinds, awnings, and several types of flooring. Established in 1992, our head office is in the capital city of India – New Delhi. With an extensive range of products, we offer ideal sun control solutions with impressive patterns, designs, and prints for different fabrics such as screen, blackout, solar, and dim out. Our latest projects include the Delhi Public Schools, PM House in Delhi, Thailand Embassy, Big Basket, and State Bank of India – Janakpuri. For us, this is just a beginning because we have the sky is the limit.
