listing Description

National Disability Independent Support Services is one of the most prolific registered NDIS support service providers, offering support and care services in and around Melbourne. We have at our disposal some of the most qualified support workers offering a wide range of support services to participants living with mobility restrictions and other impairments. With focus on making the maximum positive effort for our community, we provide cost effective and tailored support for the participants. **The support services that we offer include:**

• Community Participation
• Daily Personal Activities
• Assistance with Daily Personal Activities
• Disability Support service
• Social and Community Participation
• Disability Travel Support
