listing Description

Best online vape juice & devices shop in New Zealand! Since 2012 [NZVAPOR](#) has focussed on providing the NZ vape market with high quality NZ made vape juice and e-liquid flavours. We were the first to produce liquids in a registered ISO grade 5 facility and to use flow-line machinery, setting the way for good manufacturing procedures and high product standards. We ship vape NZ wide and of course all around the world, including express shipping to Australia. All flavours and nicotine are sourced from registered facilities and our vapes are produced under the highest standards in NZ. Our Director has sat on the board of advisors to the Ministry of Health, Health Promotion Agency and is currently on the board of Directors of the NZ Vape Industry Association.
