listing Description

Regan Roofing, Inc. offers comprehensive roofing services for residential and commercial properties in San Diego County and Greater Northern Nevada. With over 30 years of experience, we provide detailed estimates, prioritize safety with comprehensive insurance coverage, and exceed state mandates through ongoing training. Led by owner Kelly, our team specializes in roofing, solar energy, and general construction, ensuring every project meets the highest standards. Our commitment to customer satisfaction is evident in our transparent approach, community-oriented values, and dedication to excellence. Whether it's installations, repairs, or maintenance, clients can rely on Regan Roofing for quality, reliability, and exceptional service eve.
