listing Description

WynWellness offers top-rated physical therapy in the Miami area to recover fast, relieve pain and restore proper function. Some of the most common injuries we treat are from automobile collisions, sports, and exercise injuries, and slip and fall injuries. If you've been in an accident don't wait to receive treatment. Automobile collisions can cause devastating effects on your body. Our team of physical therapists can help relieve your pain and start your road to full-body recovery. We use treatment options such as shockwave therapy, cupping therapy, full-spine adjustment, extremity adjustments, and more. WynWellness also offers chiropractic services which is a non-invasive method of natural healing by correcting joint dysfunction, sports massages specifically designed for athletes to help enhance performance and reduce recovery time, and physical therapy and nutrition counseling for weight loss to help you achieve your goals. WynWellness is conveniently located in the heart of Wynwood in Miami. If you're having pain from a recent accident or injury and don't suffer a day more, schedule an appointment with our team of physical therapists today.
